BISHOP BERNARD SCHMITT & BISHOP DONAHUE HIGH SCHOOL "PARTNERS IN EDUCATION"

A SMALL SCHOOL WITH BIG IDEAS

PRINCIPAL'S MESSAGE

Mr. Alan Jafrate

Dear Friends,

We have begun another great year in the history of our school. On one hand we are still a wonder to our colleagues in the general public who continue to be amazed at our success in academics, athletics and in life despite our school size. On the other hand we all know how this success happens. It happens with the hard work of good people who support and work at Bishop Donahue. Teachers, parents, alumni, boosters, volunteers and students, all working under the umbrella of a caring christian environment.

As always, our goals center on the spiritual aspects of our students lives. As friends and alumni you are a part of this spirit and pride. Please continue to include us in your thoughts and prayers as we provide a quality education for our children.

We are all an important part of this school and that is how we want you to feel. The traditions of christian values, morals and caring along with academic competitiveness that many of us grew up with and remember well as "discipline" are still alive and well. Most of us had no idea how valuable these lessons were to us. But it shows... a brief history of our student body reveals that 79% percent of our current students have had or currently have a brother, sister, parent (s) or relative who graduated from B. D. H. S. This is a fantastic statistic and one that once again proves that "THE TRADITION CONTINUES".

Yours in Christ,
Alan Jafrate
